

2025 QUEENSLAND OFF-THE-TRACK CUP – RULES AND REGULATIONS

The Queensland Off-The-Track (QOTT) Cup will be run under Equestrian Australia (EA) National Jumping Rules with:

- all participants required to be current financial members of EA; and
- all horses required to be EA life registered as per EA General Regulations for events 1.05m and above; and
- all horses must have a current EA Showjumping Competition Licence.

For the QLD, NSW & Victoria Qualifying Rounds, the Queensland Off-The-Track Cup will be run under EA National Jumping Rules Article 273 2.2.2 (i), 3.3.1,4.3, where following the first round of competition, the top 25% of available combinations will return to the jump-off in a seeded draw; according to their faults from the first round.

For the Final (held on 5 January, 2025), the Queensland Off-The-Track Cup will be run under EA National Jumping Rules Article 273 2.2.2 (i), 3.3.1,4.3, where following the first round of competition, the top available combinations will return to the jump-off in a seeded draw; according to their faults from the first round.

For the QLD, NSW & Victoria Qualifying Rounds along with the Final, where an equality of faults is apparent, the time taken from the first round will be used to seed the draw. The winning combination will be the lowest accumulative faults over the two rounds of competition, with time on the second round additionally deciding the overall winner.

The competitor must be 16 years of age or older at the time of the relevant qualifying event. The number of competitors in the Queensland Off-The-Track Cup Final (held on 5 January, 2025) will be capped at 18 (additionally any exhibition competitors who meet the entry criteria as selected by the OC), as per point 3 below.
